

BioGaia's result for first quarter to exceed market expectations

(Figures in brackets refer to the same period the previous year)

BioGaia's sales for the first quarter has been positively impacted by an increased demand mainly from the European market.

Sales for the first quarter are preliminarily estimated at SEK 284 million (202), up 41%. Operating profit for the first quarter is preliminarily estimated at SEK 95 million (64), up 48%.

BioGaia will publish the interim report for the first quarter on Friday, 6 May 2022 at 8:00 a.m., followed by a teleconference at 9:30 a.m.
